### 2018 Terzetto

**Composition:** 1/3 Cabernet Sauvignon, 1/3 Cabernet Franc, 1/3 Merlot, co-fermented  
**Harvest:** The grapes were harvested September 28, 2018.  
**Brix:** 24.5      **Acidity:** 0.65      **pH:** 3.73      **Production:** 485 six pack cases  
**Oak Aging:** 22 months in 60% new French oak barrels from Treuil cooperage (Allier and Tronçais).  
**Organic:** All fruit is organically grown in our estate vineyard.

This is a wine of elegance and finesse that fulfills our intentions; to reflect the style of wine that typifies Bordeaux varietals without any one dominating. The grapes from each varietal going into this dynamic wine are selected from specific areas throughout the vineyard based on meticulous planning and consistent farming techniques to encourage synchronous ripening. When the intersection of the three varietals' ripeness is optimized, all varietals are picked and fermented together.

*The 2018 Terzetto is generous with aromas from the start, with black cherry, saddle leather, wild blueberries, and a hint of violets. In the mouth the wine shows lovely balance, with broad but velvety tannins mingling with flavors of black plum, wild blackberry, and pipe tobacco. The density of flavors and fine French oak barrel spices persist throughout the lengthy finish.*
