The 2021 Volker Eisele Family Estate Sauvignon Blanc, along with the Estate Semillon that is a blend component, were hand harvested on Aug 16th, 2021. Severe drought conditions throughout the growing season resulted in a greatly diminished crop with tiny berries of tremendous flavor. The grapes were whole cluster pressed then co-fermented slow and cold to dryness.

*The resulting wine is explosively aromatic, with Meyer lemon, mandarin oranges, and the perfume of sweet hay in the nose. The wine shows bright and balanced acidity in the mouth, with flavors of crisp yellow apple and delicate lemon blossom that linger through the finish.*
